

## Spectators and Parents/Carers Code of Conduct

London Legends FC plays a significant role in promoting the physical, social, and emotional development of young athletes who have the ability to identify and make informed choices, think about consequences and base their actions on that information. As London Legends FC family members you are representatives of the club and should conduct yourselves in a respectful manner at all times.

Furthermore, as parents/carers in youth sports events we should be models of good sportsmanship and should lead by example by demonstrating fairness, respect, and self-control. London Legends FC is committed to instituting a fun professional environment that is safe and nurtures learning opportunities for all our players and your role in achieving this is pivotal.

London Legends FC follows the **FA Respect code of conduct** and requires that all spectators, parents, carers or guardians involved commits to be responsible for your words and actions while attending or participating in any of London Legends FC events and that you conform your behaviour to the following Code of Conduct:
